

# 2021 Grove Leagues

## Mens Monday and Thursday

The Grove is now accepting league sign up for the 2021 golf season. End date for sign up will be May 5th.

League fees this year will be \$36 per team, \$14 of which will be used for the league management and software through the WSGA, \$22 will go towards year end payouts, 1st place 40%, 2nd place 30%, 3rd place 20% and 4th place 10%. You will notice that the league fee does not include the steak dinner again this year. If we are allowed, we will have a year end event steak night and payouts, you would sign up and pay for the steak dinners at that time.

League nights will be as follows with 24 teams maximum per league, Teams from League last year will get the first option to sign up, after that first come first serve.

Start time 5:30 with a shotgun start.

League start dates

Monday men's league - start date 5/17

Thursday night mens league - 5/20

Handicaps will be set through the league manager Imagolfer, for those who played last year we will start with those handicaps. For those of you who are new, we will need to create a starting handicap for you, call Larry to set a starting handicap. Points will be match play 1 point per hole, net score, and 1 point low net score per match.

We will be posting league information weekly. If a team is going to be absent the night of league we would prefer that the two teams try to coordinate another time and day to make up the match, this will go for rain make-ups as well. Subs can still be used for the night of the league match, if this works best for the two teams playing. You are in charge of finding your own substitute not the golf course. Any scorecards that are not handed in within one week of the match, will not be counted. We will not track down teams for missing scores. In the event of a rain make-up and the two teams can not find a time to make up the match together, you and your partner may play alone and hand in your scores.(please coordinate this scenario with the league manager at the Grove).

Stop in at the course to sign up, The amount per team will be \$36. Specific questions regarding league
